B

LOGNOTE -- A/Chief, Operations Group, 27 June 1985

2. [] Following notes are from this morning's D/FBIS staff meeting:

25X1

- []

25X1

- [] study group continues to work on an improved salary scale for senior secretaries.
- A new Technical Security Group is being formed in the Office of Security--to be staffed in large part from the DS&T.
- A DDS&T Notice is being drafted to offer clarification on the use of foreign flag carriers.
- Re rumors that the snack bar in the basement might close: Key Building employees are to be assured that food service, even if in the form of dispensing machines, will continue to be provided. No firm word whether the snack bar is in fact closing.

25X1

25X1

- []
- Authorization to use Business Class has been extended to those employees on medical travel.
 - The Agency is offering a new course for traveling employees--information to be distributed soon.
 - Language use awards for Production Group employees have been approved by the DDS&T.
